

Escrow Service

Self-Service Domain Transfers.

Now you have the option to take care of the technical transfer process yourself. Our Escrow Service will hold the funds securely until both buyer and seller confirm they're in agreement on their own terms.

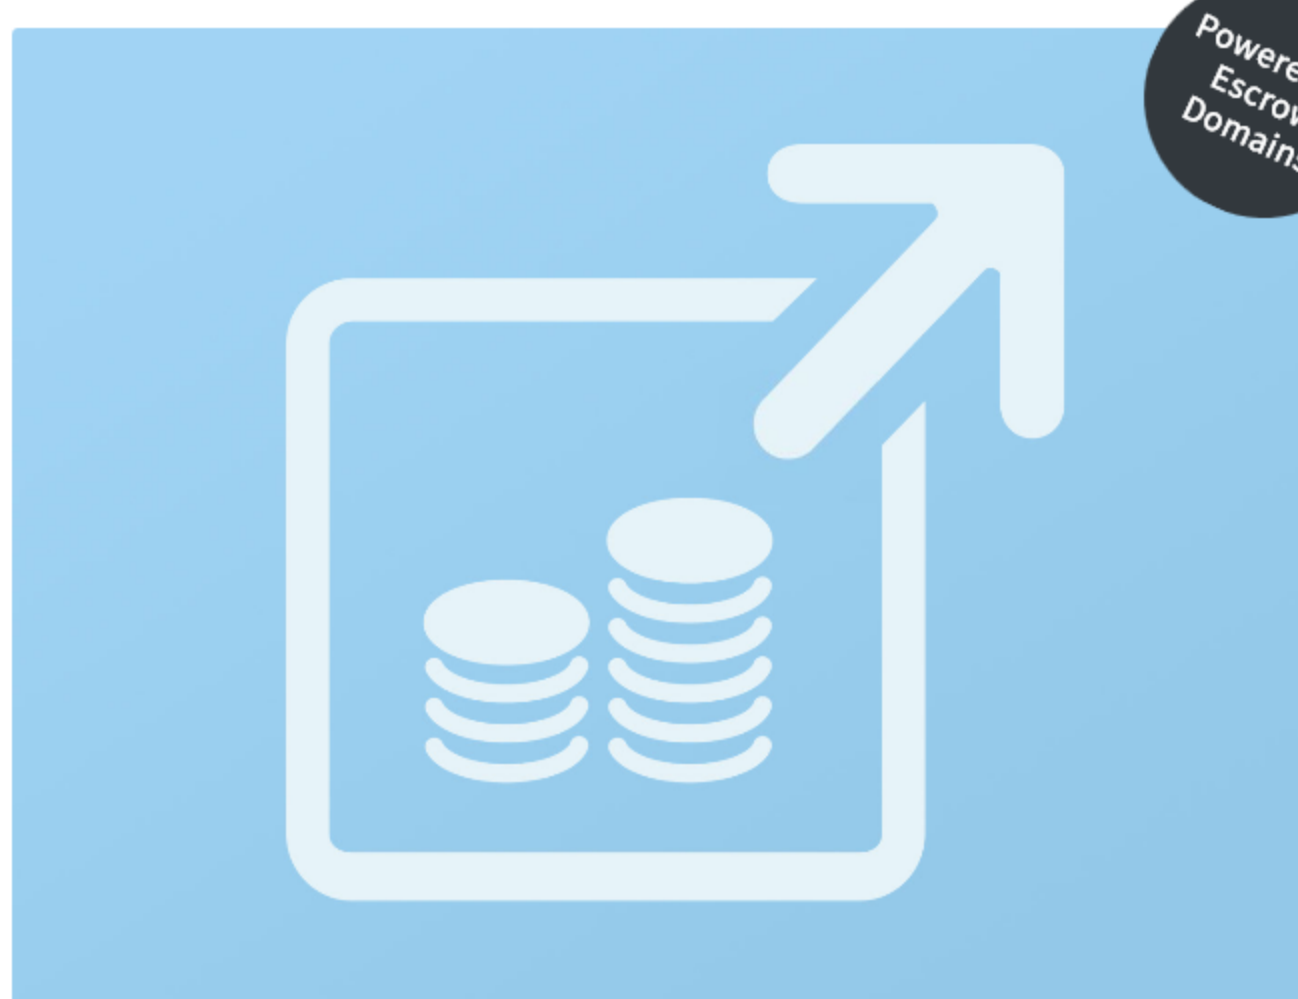

- **Most Affordable Option** - Fees start at only 0.89% of the domain purchase price
- **Customized Contract Terms** - Agree on and upload individual purchase agreements
- **Secured Funds** - Renowned legal intermediary takes care of holding the funds from the sale

Transfer Domains on Your Own Terms

Use our Escrow Service if you don't need any technical assistance for the Domain Transfer, but still want an intermediary party to ensure a seamless funds trade process. Our partner "Escrow Domains" provides you with the renowned legal services of Greenberg & Liebermann, which is one of the most experienced internet law firms in the US.

Pricing

The pricing is dependent on the domain sale price. Fees start **as low as 0.89%**, depending on the amount of money held by our trusted Escrow Service, Escrow Domains. And you can also split the Escrow Fees among buyer and seller, just indicate that in the comment field below. In addition to the Escrow Service Fee, the buyer has to pay a Payment Processing Fee depending on the payment method. Likewise, the seller has to pay a Disbursement Processing Fee. See Escrow Fees section below.
